## FACT SHEET

The new World Center Hotel is located in the heart of Lower Manhattan's revitalization, at the southern edge of the World Trade Center rectangle. The World Center Hotel offers affordable rates and many complimentary amenities for business and leisure travelers seeking a full-service boutique hotel.

**LOCATION** World Center Hotel is located at 144 Washington Street, at the corner of Albany Street, in Lower Manhattan.

World Center Hotel, directly across from the rising World Trade Center, is ideally situated to offer visitors convenient access to downtown New York City – from prestigious Wall Street and Financial District firms to the shops, restaurants and nightlife of Tribeca and vibrant Battery Park.

**ACCOMMODATIONS** A collection of 169 stylish and modern guest rooms is available. Ranging from singles to two-room suites with kitchenettes, most rooms offer rare views of either the World Trade Center or Lower Manhattan.

Corporate apartments are also available for extended stays.
